Product Maintenance

Careful and good maintenance and production of this product play a very important role in lengthen service life of the product and decrease fault.

Avoid heating, Damping or direct Sunlight

You shall not have the musical instrument exposed to sunlight in excess, or placed where is near air conditioner or baking hot

you should not use it near TV set or radios

This musical instrument may lead to video or audio disturbance on TV set and

Radio. In that case, you shall move the musical instrument away from TV set or radio

You should not use paint, thinner or similar chemicals to clean

You can clean this product a piece of soft cloth with weak solution and neutral detergent. The piece of cloth shall be dipped and wrung out in the solution until

it is dry approximately.

you should avoid quake and collision

The product shall be handled with care when removing with strict prohibition of strenuous quake and collision in order not to make outer shell or innerelectronic components damaged.

Avoid using where is easy to be affected by abnormal high and low

temperatures

Too high or low temperature may make pictures on LCD screen turn to be gray and hard to be identified. When you have the product under normal temperature, the case will be corrected automatically.

Safety warning:

This product is an electronic and electrical product.

The long-term use of the circuit components may cause failures. It is recommended that the safe use period is 2 years.

After the safe use period, please regularly inspect the product. If you find any problems, please do not continue to use it. Cause a safety accident!

Warranty Card

1. Normal use of this product, if there is a failure due to quality problems, from the date of purchase (the payment voucher on the purchase date shall prevail), you can enjoy one-year free warranty service, and lifetime paid maintenance after the warranty period.

2. During the warranty period, if any damage is caused by improper use or storage, a material fee will be charged.

3. Free warranty will not be provided in the following cases:
a: The payment voucher that proves the date of purchase cannot be presented
b: The purchase date has been modified
c: Damage caused by incorrect use by the user
d: Failure caused by irresistible factors such as fire, flood, earthquake, lightning strike, etc.
e: Failure caused by disassembly without permission
